

# SCHOOL ROAD PARK PAVILION

Please note the below rules, specific to pavilion use. Please make sure you and your group members adhere to these, and the general rules that govern the park system.

- Taking your food refuse with you when you leave the park will be appreciated.
- Please dispose of all paper litter, including litter on the floor, in pavilion receptacles. If receptacles are close to capacity, please refrain from adding more trash on top. Check to see if there is a new liner inside the container or put your excess trash in a different container.
- ***Your hot charcoals should be left to cool. Be prepared to dispose of used coals from people before you. Cold coals may be placed in the pavilion receptacles.***
- Be considerate of other park users when playing music.
- Pavilion lights are operational dusk until 11 p.m. by turning the timer on. Please turn off lights when you leave by dialing the timer to "off."
- Alcoholic beverages are prohibited.
- Smoking and use of tobacco products are prohibited.
- Skateboarding in pavilion or on tables is prohibited.
- It is permissible to bring your own gas grill(s) or hibachi(s).
- There are electric outlets at the pavilion.
- Water hydrants are on the soccer field, on the senior baseball field and on the path between the pavilion and the soccer field.
- Restrooms are portable toilet units.

*Thank you for your part in protecting and preserving this facility.*
